

# COLORS IN MOTION®

Art that changes people's moods in public spaces

## TOUCHSTONE Collections DVD Order Form

Colors In Motion® is a unique blending of many art forms, created with the mission to calm the body and awaken the senses. TOUCHSTONE is our invitation to reconnect to the present moment, slow down, and refresh; to allow a different light into one's day. It unfolds beauty for all our senses, exploring the depths of human experience through a spectrum of art forms.

Order a Colors In Motion DVD to experience our dynamic digital content and learn the qualities and possibilities of how our work and art transform spaces. Design Colors In Motion into your space, whether small and intimate, large-scale and public, or something in between.
